Deutsche Kreditbank (DKB), headquartered in Berlin, is a leading direct bank and is wholly owned by Bayerische Landesbank (BayernLB). The DKB business model is based on the direct banking business with more than 5.9m retail customers (H1/2025), who are served on a digital basis across Germany, and the corporate customer business, which offers personal consulting services to clients at 26 different locations across Germany in addition to the bank's digital offerings. DKB employs more than 4,200 staff overall (H1/2025), who offer its retail customers a range of products including current accounts and business accounts, deposits, mortgage loans in addition to favourable financing and investment solutions for municipalities and businesses. DKB operates across four business segments: "Commercial Customers" (H1/2025: 70.0% of pre-tax profit), "Retail Customers" (28.4%), "Financial Markets" (3.8%) and "Other" (-2.3%). Geographically speaking, the bank focuses almost exclusively on Germany. DKB's refinancing activities are primarily focused on liabilities from the deposit and money market business (H1/2025: 86.3% of liabilities), followed by securitised liabilities (5.0%). At 54.2%, mortgage-backed Pfandbriefe constitute the largest share of securitised liabilities (H1/2025). According to information from DKB itself, it was the first German bank to issue both a green and social bond and has outstanding sustainable Pfandbriefe amounting to EUR 4.6bn (H1/2025). As at the end of financial year 2024, the bank reported a green asset ratio as measured by turnover of 0.5%.

## Cover assets located exclusively in Germany

The DKB's public-sector cover pool consists exclusively of primary cover assets, all of which are geographically located entirely in Germany. The largest share relates to the category of claims against local authorities (64.3%). As of the reporting date of 31 December 2025, all public-sector covered bonds issued by the institution carry a fixed coupon, while the share of fixed-rate public-sector cover assets amounts to 97.7%. The mortgage cover pool shows a primary cover ratio of 96.5%. The primary cover assets are geographically located exclusively in Germany. The share of residential cover assets is reported at 98.1% as of 31 December 2025. Within the category of residential cover assets, EUR 5.3bn (share of primary cover: 59.1%) is attributable to the sub-segment of multi-family houses. Neither the public-sector cover pool nor the mortgage cover pool contains any overdue receivables (>90 days past due).

## Rating and regulatory treatment

Moody's rates both of the issuer's Pfandbrief programmes with the top rating of Aaa. Based on the rating, a risk weight of 10% is decisive for the issuer's covered bonds in accordance with the CRR. In addition, we believe the issuer's EUR benchmarks are suitable as Level 1 assets in the context of LCR management. Pfandbriefe placed by the issuer from 08 July 2022 onwards may bear the label "European Covered Bond (Premium)" and are also suitable as collateral in the context of transactions with the ECB.

The present report and the products and services described herein have not been reviewed or approved by the relevant supervisory authority.

The present information is addressed exclusively to Recipients in Austria, Belgium, Canada, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Indonesia, Ireland, Italy, Japan, Korea, Luxembourg, the Netherlands, New Zealand, Poland, Portugal, Singapore, Spain, Sweden, Switzerland, the Republic of China (Taiwan), Thailand, the United Kingdom and Vietnam (hereinafter referred to as "Relevant Persons" or "Recipients"). The contents of the information are disclosed to the Recipients on a strictly confidential basis and, by accepting such information, the Recipients shall agree that they will not forward it to third parties, copy and/or reproduce this information without the prior written consent of NORD/LB. The present information is addressed solely to the Relevant Persons and any parties other than the Relevant Persons shall not rely on the information contained herein. In particular, neither this information nor any copy thereof shall be forwarded or transmitted to the United States of America or its territories or possessions, or distributed to any employees or affiliates of Recipients resident in these jurisdictions.

**The present information does not constitute financial analysis within the meaning of Art. 36 (1) of the Delegate Regulation (EU) 2017/565, but rather represents a marketing communication for your general information within the meaning of Art. 36 (2) of this Regulation. Against this background, NORD/LB expressly points out that this information has not been prepared in accordance with legal provisions promoting the independence of investment research and is not subject to any prohibition of trading following the dissemination of investment research.** Likewise, this information does not constitute an investment recommendation or investment strategy recommendation within the meaning of the Market Abuse Regulation (EU) No. 596/2014.

This report and the information contained herein have been compiled and are provided exclusively for information purposes. The present information is not intended as an investment incentive. It is provided for the Recipient's personal information, subject to the express understanding, which shall be acknowledged by the Recipient, that it does not constitute any direct or indirect offer, recommendation, solicitation to purchase, hold or sell or to subscribe for or acquire any securities or other financial instruments nor any measure by which financial instruments might be offered or sold.

All actual details, information and statements contained herein were derived from sources considered reliable by NORD/LB. For the preparation of this information, NORD/LB uses issuer-specific financial data providers, own estimates, company information and public media. However, since these sources are not verified independently, NORD/LB cannot give any assurance as to or assume responsibility for the accuracy and completeness of the information contained herein. The opinions and prognoses given herein on the basis of these sources constitute a non-binding evaluation of the employees of the Floor Research division of NORD/LB. Any changes in the underlying premises may have a material impact on the developments described herein. Neither NORD/LB nor its governing bodies or employees can give any assurances as to or assume any responsibility or liability for the accuracy, appropriateness and completeness of this information or for any loss of return, any indirect, consequential or other damage which may be suffered by persons relying on the information or any statements or opinions set forth in the present Report (irrespective of whether such losses are incurred due to any negligence on the part of these persons or otherwise).

Past performance is not a reliable indicator of future performance. Exchange rates, price fluctuations of the financial instruments and similar factors may have a negative impact on the value and price of and return on the financial instruments referred to herein or any instruments linked thereto. Fees and commissions apply in relation to securities (purchase, sell, custody), which reduce the return on investment. An evaluation made on the basis of the historical performance of any security does not necessarily provide an indication of its future performance.

The present information neither constitutes any investment, legal, accounting or tax advice nor any assurance that an investment or strategy is suitable or appropriate in the light of the Recipient's individual circumstances, and nothing in this information constitutes a personal recommendation to the Recipient thereof. The securities or other financial instruments referred to herein may not be suitable for the Recipient's personal investment strategies and objectives, financial situation or individual needs.

Moreover, the present report in whole or in part is not a sales or other prospectus. Accordingly, the information contained herein merely constitutes an overview and does not form the basis for any potential decision to buy or sell on the part of an investor. A full description of the details relating to the financial instruments or transactions which may relate to the subject matter of this report is given in the relevant (financing) documentation. To the extent that the financial instruments described herein are NORD/LB's own issues and subject to the requirement to publish a prospectus, the conditions of issue applicable to any individual financial instrument and the relevant prospectus published with respect thereto as well NORD/LB's relevant registration form, all of which are available for download at [www.nordlb.de](http://www.nordlb.de) and may be obtained free of charge from NORD/LB, Georgsplatz 1, 30159 Hanover, shall be solely binding. Furthermore, any potential investment decision should be made exclusively on the basis of such (financing) documentation. The present information cannot replace personal advice. Before making an investment decision, each Recipient should consult an independent investment adviser for individual investment advice with respect to the appropriateness of an investment in financial instruments or investment strategies subject to this information as well as for other and more recent information on certain investment opportunities.

Each of the financial instruments referred to herein may involve substantial risks, including capital, interest, index, currency and credit risks in addition to political, fair value, commodity and market risks. The financial instruments could experience a sudden and substantial deterioration in value, including a total loss of the capital invested. Each transaction should only be entered into on the basis of the relevant investor's assessment of his or her individual financial situation as well as of the suitability and risks of the investment.

NORD/LB and its affiliated companies may participate in transactions involving the financial instruments described in the present information or their underlying basis values for their own account or for the account of third parties, may issue other financial instruments with the same or similar features as those of the financial instruments presented in this information and may conduct hedging transactions to hedge positions. These measures may affect the price of the financial instruments described in the present information.

If the financial instruments presented in this information are derivatives, they may, depending on their structure, have an initial negative market value from the customer's perspective at the time the transaction is concluded. NORD/LB further reserves the right to transfer its economic risk from a derivative concluded with it to a third party on the market by means of a mirror-image counter transaction.

More detailed information on any commission payments which may be included in the selling price can be found in the "Customer Information on Securities Business" brochure, which is available to download at [www.nordlb.de](http://www.nordlb.de).

The information contained in the present report replaces all previous versions of corresponding information and refers exclusively to the time of preparation of the information. Future versions of this information will replace this version. NORD/LB is under no obligation to update and/or regularly review the data contained in such information. No guarantee can therefore be given that the information is up-to-date and continues to be correct.

By making use of this information, the Recipient shall accept the terms and conditions outlined above.

NORD/LB is a member of the protection scheme of Deutsche Sparkassen-Finanzgruppe. Further information for the Recipient is indicated in clause 28 of the General Terms and Conditions of NORD/LB or at [www.dsgv.de/sicherungssystem](http://www.dsgv.de/sicherungssystem).
